

EU AI Act

Compliance Report

Company: Test Company

Scan Date: 2026-08-26 10:00:00

Overall Score: 75.0%

Risk Category: LIMITED

This report provides an assessment of your organization's compliance with the European Union Artificial Intelligence Act (Regulation 2024/1689).

CONFIDENTIAL - This document contains proprietary compliance assessment data.

Executive Summary

Overall Compliance Score: 75.0%

Key Findings:

Status	Count	Percentage
Compliant	1	50.0%
Partially Compliant	0	0.0%
Non-Compliant	1	50.0%
Total	2	100%

Risk Assessment:

The AI systems detected in your codebase are classified as **limited** risk under the EU AI Act. This classification determines the applicable compliance requirements and potential penalties for non-compliance.

Detailed Findings

Finding 1: RA-001

Status: COMPLIANT

Evidence: Risk management system is in place.

Risk Level: medium

Recommendation: Continue maintaining the risk management system.

Finding 2: RA-002

Status: NON_COMPLIANT

Evidence: No data governance documentation found.

Risk Level: high

Recommendation: Implement data governance for training datasets.

Remediation Plan

Step	Requirement	Priority	Deadline	Effort
1	Data Governance	HIGH	Aug 2, 2026	2-4 weeks

Estimated Timeline:

- High Priority Items: 1 (Est. 2-4 weeks each)
 - Medium Priority Items: 0 (Est. 1-2 weeks each)
- Total Estimated Compliance Timeline: 4-4 weeks**

EU AI Act Requirements Matrix

ID	Requirement	Article	Risk Level	Status
RA-001	Risk Management System	Article 9	high	compliant
